

NEW Interactive DVDs Critical Thinking Tool

About This Product

One Hour Self Directed Learning each call.

Learners are required to submit 5 questions.

One -Two Hour group learning.

Most effective use as trainees learn from one another's analysis (correct and incorrect).

Learning Is: Most useful for beginners as calls are scripted and best practices are basic. Questions provoke the learners, so a good mix of experience is dynamic.

Unskilled / Skilled Refresher / Expert Facilitated

INTRODUCING A 'CRITICAL THINKING' LEARNING TOOL. 2 HOURS OF TRAINING EACH!

This Interactive Training allows the trainer to facilitate 'thinking' on a larger scale than simply 'listening' or 'telling'.
The perfect In Service Training or for your Academy!!

DVD Screen Shots

Listening isn't learning! Telling isn't teaching!

This new DVD is interactive and will allow Trainers to work with one high profile call at a time to promote 'critical thinking'. Each DVD works with one 'high risk / low occurrence 9-1-1 call. Modeling, analyzing — it's easy to train with "Good Call, Bad Call."
